At Petty Pool College we believe a high quality CEIAG program is crucial as it empowers learners with diverse abilities to discover their unique strengths, explore tailored career paths, and build the confidence needed to achieve their aspirations.

Aim/Scope

This policy applies to all learners and potential learners, both full-time and part-time.

The college has a statutory duty to provide all 19–25-year-old learners with an Education Health Care Plan (EHCP) with access to independent careers guidance. This policy responds to the College's statutory duties and national Information, Advice and Guidance (IAG) quality standards, the Education Inspection Framework (Ofsted) & Skills and Post-16 Education Act 2022.

All members of staff at Petty Pool College are expected to be aware of this policy and the importance of careers education, information, advice and guidance (CEIAG) in the education of learners; CEIAG is not the sole responsibility of the careers lead.

It is important that learners leave Petty Pool College aware of themselves as individuals, aware of the opportunities available to them and able to make decisions about their future. They should be prepared for the transition from education to the world after. It is to these aspects of personal and social development that this policy will contribute.

General Policy Statement

The college recognises that high quality careers education and guidance is critical to learners' development and future opportunities. Supporting learners to acquire self-development and career management skills will aid their transition into further training and employment, thus supporting the economy.

Petty Pool College is committed to:

Providing all learners and potential learners with access to informed, impartial, and supportive careers education and guidance.

Establishing and maintaining strong working relationships with feeder schools to promote a range of vocational pathways available.

Working closely with industry and employer partnerships to ensure learners leave college with the skills, knowledge and attributes required by employers.

The operational responsibility for implementing this policy lies with the designated Careers Lead. This policy will be monitored by the Senior Leadership Team and the designated Careers Lead at appropriate intervals and will be reviewed on a regular basis.

The college recognises under the 'Baker Clause' that it has a statutory duty to ensure learners have access to impartial information, advice and guidance and to promote a range of options to learners when making decisions about their next steps. In doing so, the college works closely with both feeder schools, employers and other providers to meet the demands of this requirement.

The college holds the Matrix Standard, a quality assurance framework formally adopted by the Department of Education as the industry standard for ensuring the quality of delivery for Information, Advice and Guidance services. Providers are assessed against the standard every three years, with continuous improvement checks completed annually.

The college is committed to ensuring the Careers, Education Information, Advice and Guidance:

- Provides learners with a person-centered, impartial, and confidential service that meets the needs of its learners.
- Provides learners with access to one-to-one Careers Advice and Guidance during their programme of study.
- Promotes the use and understanding of Labour Market Information (LMI) to learners and their parents/guardians to support career and learning choices.
- Develops robust links between curriculum/pastoral and careers to ensure the careers programme is relevant and meets the needs of the cohort.
- Develops close working relationships with employers and local organisations to ensure that curriculum delivery closely aligns with the skills and demands required by employers and the economy.
- Develops strong relationships with employers and local organisations to provide learners with access to a range of work experience opportunities and contacts.
- Provides a differentiated and personalised offer, ensuring activities are appropriate to learners' stages of career learning, planning and development.
- Is incorporated into all aspects of teaching, learning and assessment.
